# HP EliteBook 8 G2a 16 inch Notebook Next Gen AI PC

## Expand your view. Accelerate AI workflows. Scale with ease.

Toggle less as you analyze and create with the large screen, profound performance, and local AI capabilities[3] of the HP EliteBook 8 G2a. Highly secure and easily managed this 16-inch HP Copilot+ PC[4] is the smart way to power your versatile workforce.

### Lightning-fast local AI performance

Command your day with AI-enhanced performance[3], smart automation, and seamless multitasking.

### Be seen. Be heard. Be the one they remember.

Join every meeting with confidence. Poly Camera Pro keeps you framed and distraction-free with smart background adjustments and spotlight.[6]

### Protection before the threat

HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense.[5]

*Product image may differ from actual product

## Sustainability in action

### Help protect our shared future

The HP EliteBook 8 G2a AI PC is designed using 90% recycled magnesium in the outer A/C/D covers[7], 50% post-consumer recycled plastic in the keycaps[8], and the outer box packaging is 100% sustainably sourced or recycled.[9]

# HP EliteBook 8 G2a 16 inch Notebook Next Gen AI PC

## Featuring

### Lightning-fast local AI performance for demanding workflows
Work confidently with reliable, AI-enhanced productivity[3] wherever work takes you on the HP EliteBook 8 G2a—featuring an AMD Ryzen™ AI processor[2] and up to 50 TOPS NPU[3] for AI-enhanced speed, smart automation, and seamless multitasking.

### Cool and quietly powerful. Bold premium big screen design.
Handle complex tasks and multitasking without the hum of fans. HP Smart Sense[5] and advanced thermal design keep things cool and quiet, while the premium enterprise-focused design offers an expansive 16-inch display for serious work.

### Protection before the threat
HP Wolf Security for Business creates a hardware-enforced defense. It detects and self-heals BIOS attacks and helps fight ransomware and phishing attacks. It's a future-ready investment in protection against quantum computing attacks.[6]

### Help protect our shared future
The HP EliteBook 8 G2a AI PC is designed using 90% recycled magnesium in the outer A/C/D covers[7], 50% post-consumer recycled plastic in the keycaps[8], and the outer box packaging is 100% sustainably sourced or recycled.[9]

### HP Recommends Windows 11 Pro for business with Microsoft Copilot
Work anywhere without compromising on performance with Windows 11[1] and HP collaboration, security, and connectivity technology. Summarize and rewrite content, get relevant content recommendations, and stay organized with Microsoft Copilot.[10]

### Commanding AMD Ryzen™ AI processor
Accelerate your workflow and drive results with an AMD Ryzen™ AI processor[2] with an up to 50 TOPS NPU[3]—delivering AI-enhanced performance[3] and speed for today's demanding business workloads.

### Stay connected with HP Go
Discover HP Go[11], the easy to set up 5G cellular solution[12] for your PC. Enjoy seamless, out-of-the-box connectivity for effortless communication, collaboration, and creativity that utilizes the strongest stable connection available.

### Optimize PC performance
Work without distraction with HP Smart Sense[5] that keeps your PC whisper quiet under heavy workloads with consistent power and lets you enable performance mode when you need it most.

### Business-ready AI with real-world benefits
Charge once and unplug all day with devices that are 5X faster than 5-year-old Windows PCs.[13] Get the best video conferencing, exclusive AI features[4] and long battery life[14] on this Copilot+ PC.[4]

### Speed up the basics of IT management
Deploy the HP Manageability Integration Kit[15] to help speed up image creation and the management of hardware, BIOS, and security when managing devices through Microsoft Configuration Manager.

### Transform IT from cost center to business accelerator
The HP Workforce Experience Platform (WXP)[16] empowers IT teams with AI-powered insights and workflow automation, reducing digital friction.

### Protected by HP Wolf Security
HP Wolf Security for Business creates a hardware-enforced defense. It detects and self-heals BIOS attacks and helps fight ransomware and phishing and provides future-ready protection against quantum computing attacks.[6]

### One touch powers the PC and logs you in
Power up and log in with a single touch of the power key that combines the power button with an integrated fingerprint sensor enhancing both security and convenience.[17]

### Collaboration through the NPU
Look your best on video calls and save some power too. Manage your video controls for internal and external cameras with Poly Camera Pro.[20] Now Framing, Spotlight, Background Blur, and virtual backgrounds save power running on the NPU.

### Enhanced predictive coverage
Limit interruptions with HP Premium+ Support, a smart service that alerts of potential device issues using predictive AI-powered insights, automation and proactive 24/7 support for our fastest diagnosis and repair—wherever work happens.[19,20]

## Accessories and services (not included)

| | | |
|---|---|---|
| HP 105 Sanitizable Mouse Pad |  | Elevate your space with an anti-slip, durable, sanitizable[1], and spill-resistant mouse pad. With effortless gliding and pinpoint accuracy, this minimalist mouse pad maximizes movement to make the perfect accomplice to your favorite mouse.<br>**Product number: 8X595AA**<br>[1] Select household wipes can be safely used up to 1,000 wipes. See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Clean Your HP Device Whitepaper (https://h20195.www2.hp.com/v2/GetDocument.aspx?docname=4AA7-7610ENW)<br>[2] Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT® standard. |
| HP 725 Multi-Device Rechargeable Wireless Keyboard |  | Work confidently with tech that keeps you productive, whenever and wherever. This thoughtfully-designed multi-device wireless keyboard works as hard as you do with ultra-fast charging supercapacitor technology, seamless connectivity, and customization.<br>**Product number: 9T5B2AA**<br>[1] Fast charging is based on USB Type-C ®-- 3.0 port (5V, 2.5A). The actual charging time may vary depending on the port type and environmental conditions. Usage life is an estimate and varies depending on many factors, including number of active, idle and asleep hours of use, number of applications running, environmental conditions, and features used; actual usage life will vary with usage and environmental condition.<br>[2] USB-C to USB-A adapter cable included. |
| HP Travel Plus 30L 17-inch Laptop Backpack |  | Simplify your journey with one bag that meets all your travel needs. This durable, thoughtfully designed backpack keeps you organized—from packing through the airport and beyond. Multiple compartments enable easy access for airport security convenience.<br>**Product number: A2CE0AA**<br>[1] Fits most laptops up to 17 inches.<br>[2] Supplier tested for water resistance on exterior fabric coating. |
| HP Tilt Ergonomic Mouse 725M |  | Tackle long hours with a mouse that makes you feel at ease, right away. Its semi-vertical tilt offers full-hand support, while dual wireless connectivity, fast vertical and horizontal scrolls, and quick charging keep you productive through the day.<br>**Product number: BH0Z5AA**<br>[1] Requires HP Accessory Center (HPAC) Software. HPAC available for free download in Microsoft Store.<br>[2] Fast charging is based on USB Type-C ®-- 3.0 port (5V, 2.0A), the actual charging time may vary depending on the port type and environmental conditions. |
| HP Portable USB-C 4K HDMI Hub |  | Find more ways to connect, wherever you work, with this compact and reliable USB-C® 4K HDMI hub. Get five additional ports that support multiple devices and operating systems, and deliver power, so you can stay productive throughout the day.<br>**Product number: BR1U0UT**<br>[1] Power adapter not included. 90W or higher power adapter provides a maximum of 65W to the computer. 65W power adapter provides a maximum of 45W to the computer.<br>[2] Actual throughput may vary. |
| HP 100W GaN Wall Charger |  | Power your day with the HP 100W GaN Wall Charger. Smaller, lighter,[6] and designed for efficient, safe charging,[5] it delivers reliable power for most USB-C® devices[10] and protects against surge, overcurrent, overvoltage, and overtemperature.<br>**Product number: CS9V7UT**<br>[1] Compliant with EU Lot7 power efficiency.<br>[2] Adaptive power output(15W/27W/75W/100W). |

# HP EliteBook 8 G2a 16 inch Notebook Next Gen AI PC

## Footnotes

### Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 11 is automatically updated, which is always enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com .
[2] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
[3] Features and software that require an NPU may require software purchase, subscription or enablement by a software or platform provider, and third-party software may have specific configuration or compatibility requirements. Performance varies by use, configuration, and other factors.
[4] On some devices, some Copilot+ PC experiences require free updates continuing to roll out from Microsoft. Timing varies by device and region. See aka.ms/copilotpluspcs. Copilot is NOT available in China, Russia, Belarus, and embargoed regions Cuba, Iran, North Korea, Crimea.
[5] Smart Sense requires the HP app and Windows 11 OS. Features may vary by platform.
[6] HP Wolf Security for Business requires Windows 10 or 11 Pro and higher, includes various HP security features and is available on HP Pro, Elite, Workstation, and RPOS products. See product details for included security features.
[7] Recycled metal is expressed as a percentage of the total weight of the metal according to ISO 14021 definitions for metal parts over 25 grams.
[8] Recycled plastic content percentage is based on the definition set in the IEEE 1680.1-2018 EPEAT standard.
[9] HP paper and fiber based packaging for PCs, displays, home and office print, and supplies is reported by suppliers as recycled or certified, with a minimum of 97% by volume verified by HP. Packaging is the box that comes with the product and all paper-based materials inside the box. Packaging for commercial print, industrial, and 3D products, scanners, personal systems accessories, and spare parts is not included.
[10] Microsoft Copilot requires Windows 11. Some features require an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot is not available, the Copilot key will lead to the Bing search engine. See http://aka.ms/WindowsAIFeatures .
[11] HP Go is available as a separate subscription in North America, requires 5G and must be configured at the time of purchase on select HP commercial laptops and workstations.
[12] HP 5G module is optional and must be configured at the factory. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100Mhz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.
[13] Based on Cinebench R20 Multi Core benchmark test conducted by Microsoft from June to September 2025.
[14] Battery life varies significantly by device and with settings, usage and other factors. See aka.ms/cpclaims .
[15] HP Manageability Integration Kit can be downloaded from http://www8.hp.com/us/en/ads/clientmanagement/overview.html .
[16] The Workforce Experience Platform (WXP) is available in various tiers and for multiple term license durations, and some features require optional add-on solutions. WXP is for commercial customers and some features and capabilities may require additional purchase of HP services and/or commercial hardware capable of supporting the HP Insights agent for Windows, Mac, & Android. WXP is ISO27001, ISO27701, ISO27017 and SOC2 Type2 certified for Information Security. Activation and restrictions may apply. Select HP solutions require an HP Insights agent for Windows, Mac, & Android, available for download at https://workforceexperience.hp.com/software. For full system requirements and services that require the agent, please visit https://workforceexperience.hp.com/requirements. The agent collects telemetry and analytics around devices and applications that integrate into the Workforce Experience Platform. Internet access required. HP Vyopta license required for audio and video collaboration technology monitoring. HP Anyware license or compatible third-party virtual machine license required for virtual machine monitoring. Print capabilities are available to select beta customers in the US only. Print is planned to be available in a future release in various tiers as an add-on solution in various term licenses.
[17] Requires Windows OS and setup through Windows Hello.
[18] Requires HP app and Windows OS. AI Magic Background runs on the GPU when initially generating your background in Poly Camera Pro. The NPU is used for streaming your restyled background in your collaboration applications.
[19] Predictive insights is only available with HP Premium+ Support. Select HP Workforce Solutions require an HP Insights agent for Windows, Mac, & Android, available for download at https://admin.hp.com/software. For full system requirements and services that require the agent, please visit https://admin.hp.com/requirements. The agent collects telemetry and analytics around devices and applications that integrate into the Workforce Experience platform and is not sold as a standalone service. Internet access with connection to the Workforce Experience platform is required. HP follows stringent GDPR privacy regulations, and the platform is ISO27001, ISO27701, ISO27017 and SOC2 Type2 certified for Information Security.
[20] HP Essential Support, HP Premium Support and HP Premium+ Support are available at the time of device purchase. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

### Specification Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com .
[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
[3] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.
[4] Features and software that require a NPU may require software purchase, subscription or enablement by a software or platform provider, and third party software may have specific configuration or compatibility requirements. Potential NPU inferencing performance varies by use, configuration, and other factors.
[5] Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
[6] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 32 GB is reserved for system recovery software.
[7] Wi-Fi 6E requires a Wi-Fi 6E router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 6E is backwards compatible with prior 802.11 specs. Available in countries where Wi-Fi 6E is supported. Wi-Fi 6E is designed to support gigabit data rate when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 80MHz and higher channels.
[8] Wi-Fi 7 requires a Wi-Fi 7 router, sold separately, to function in the 6GHz band. Availability of public wireless access points limited. Wi-Fi 7 is backwards compatible with prior 802.11 specs. And available in countries where Wi-Fi 7 is supported. Wi-Fi 7 is designed to support gigabit data rate when transferring files between two devices connected to the same router. Requires a wireless router, sold separately, that supports 80MHz and higher channels.
[9] Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming.
[10] LPWAN (also called Mobile Narrowband) supports HP Protect & Trace with Wolf Connect service through the subscription term, but does not support mobile broadband use.
[11] 5G module is optional. WWAN-ready configuration must be selected at purchase to add WWAN at a later date. Module designed for 5G NR NSA (non-standalone) networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100Mhz of 5G NR and LTE channel bandwidth, using 256QAM 4x4 as defined by 3GPP. Module requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Data connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. Backwards compatible to 4G LTE and 3G HSPA technologies. 5G module planned to be available in select platforms and select countries, where carrier supported.
[12] USB 20Gbps signaling rate is not available with Thunderbolt™ 4. Actual throughput may vary.
[13] Sold separately or as an optional feature.
[14] Resolutions are dependent upon monitor capability, and resolution and color depth settings. Actual brightness will be lower with touchscreen or Sure View.
[15] HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.
[16] All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
[17] For new batteries, actual battery Watt-hours (Wh) may differ from the design capacity and may have a full charge capacity that differs by up to 10, which is typical for lithium-ion batteries. Battery capacity naturally decreases over time and with use, depending on several factors such as battery health management settings, shelf life, temperature, environment, loaded apps, features, system configuration, and power settings.
[18] Recharges up to 50% within 30 minutes when the system is off or in standby mode when used with the power adapter provided with the notebook. Power adapter minimum of 65 watts required for battery capacities 56Whr or less. Power adapter minimum of 100 watts required for battery capacities greater than 56Whr and less than 83Whr. Power adapter minimum of 120 watts required for battery capacities greater than 83Whr and less than 100Whr. After charging has reached 90% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.
[19] Availability may vary by country.
[20] Microsoft 365 sold separately and requires Internet access for activation.
[21] HP IQ delivery app is preloaded on select HP PCs; it will be automatically updated to the future featured HP IQ application if you have auto updates enabled in Windows or will be available for download from the Microsoft Store. The future featured HP IQ app uses artificial intelligence. Features vary by configuration. For complete details see https://support.hp.com/us-en/document/ish_13696672-1369677-16 .
[22] HP Services Scan automatically collects the telemetry necessary upon initial boot of the product to deliver device-level configuration data and health insights and is available preinstalled on select products, thru HP Factory Configuration Services; or it can be downloaded. For more information about how to enable HP Smart Support or for download, please visit http://www.hp.com/smart-support .
[23] HP Support Assistant is available on Windows. For more information, please visit http://www.support.hp.com/help/hp-support-assistant .
[24] HP App with Multicamera support for Mini Desktop PC will only available on 13th processor and beyond.
[25] Poly Studio Desktop requires a Windows OS.
[26] Requires Windows 11 and an NPU. Timing of feature delivery and availability varies by market and device. Requires Microsoft account to log in. Where Copilot in Windows is not available, the Copilot key will lead to the Bing search engine. See http://aka.ms/WindowsAIFeatures .
[27] HP Client Catalog not preinstalled, however available for download at (https://www.hp.com/us-en/solutions/client-management-solutions.html).
[28] HP Client Management Script Library (https://www.hp.com/us-en/solutions/client-management-solutions.html#tab=manageability-tools).
[29] HP Cloud Recovery is available for Z by HP, HP Elite and Pro desktops and laptops PCs with Intel® or AMD processors and requires an open, network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail, please refer to: https://support.hp.com/us-en/document/c05115630 .
[30] HP Connect for Microsoft Endpoint Manager is available from the Azure Market Place for HP Pro, Elite, Z and Point-of-Sale PCs managed with Microsoft Endpoint Manager. Subscription to Microsoft Endpoint Manager required and sold separately. Network connection required.
[31] HP Driver Packs not preinstalled, however available for download at http://www.hp.com/go/clientmanagement .
